

What if there was another way that was **easier, cheaper,** and gives your school **CONTROL?**

SCHOOL READINESS FOR 2020-2021

Getting your school ready for students and teachers to return safely has never been more complex or challenging than it is today. From signage that covers social distancing, hand washing, floor graphics, directional signs and more—your school will need it all.

MAKE THE **SMART CHOICE**

The **EducatorPLUS** full-color printer package can print everything you will need for Covid Preparedness – **PLUS**, be used by every teacher to add classroom visuals, take-home STEM activities, and so much more!

The **EducatorPLUS** Can Produce:

- » Posters, Banners, Directional Signage
- » Magnetics, Window Clings, Bumper Stickers
- » Floor & Wall Graphics
- » Flags & Pennants
- » Award Plaques
