The EducatorPlus comes with a collection of **education-specific templates** including posters, charts, and other visual aides. These templates are available in **multiple languages** and span **several content areas**. All templates are **fully customizable** and can easily be adjusted to **meet the needs of individual students or groups of students**. Templates can also be easily **customized to align with the goals and needs of charter and magnet schools**.

The EducatorPlus printer system not only comes with initial setup and user training, but also **lifetime support** through our **Implementation Success Program**. Our training and support specialists will meet with any interested school personnel to provide **high quality user training**, as well as **ideas and resources** for school integration. Our training team is always willing to **answer questions, share resources, and troubleshoot problems** that arise. At AGC, we want to make sure that teachers have the **knowledge, skills, and tools** to fully integrate our technology into their classrooms.

The EducatorPlus can print posters, banners, and other high-quality visuals to **promote community events**. Beyond that, EducatorPlus can print on a variety of specialty materials. Schools can use their EducatorPlus to create **custom magnets, stickers, window clings, t-shirts, and more**. These custom items can easily be used for **fundraising efforts, student recognition, or community engagement initiatives**. The EducatorPlus also includes access to PosterArtist, a **user-friendly graphic design software**. PosterArtist makes it easy to create these custom materials and opens the door to **student designed products** as well.
