Slide into Summer—We've Got Fall Handled

Summer's here—and you deserve a smooth glide into the season. Between shutdowns, supply checks, and prepping for fall, there's still plenty in motion. That's where AGC steps in.

We're your partner through the transition—offering smart tools, steady support, and a little breathing room when you need it most. Whether you're wrapping up or gearing up, we're here to lighten the load.

Let's slide into summer—and make the next chapter even stronger.

PARTNER SPOTLIGHT

CENTRAL PRIMARY
GONZALES, LA

Beyond the Bulletin Board

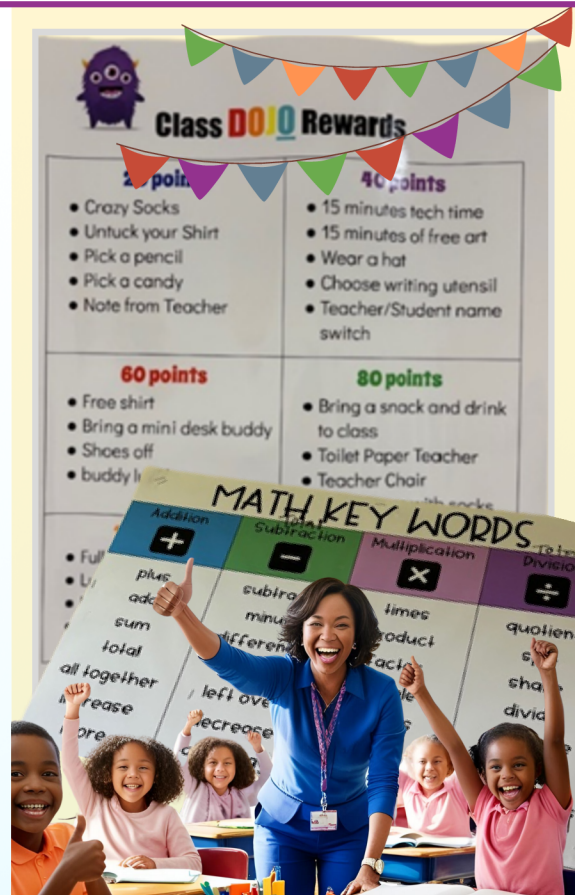

At Central Primary in Gonzales, Louisiana, creativity and classroom connection go hand in hand— thanks to their **Educator Plus Poster Printer**. More than just a tool for signage, it's become a true partner in instruction.

From a vibrant *Math Keywords Chart* that reinforces key terms daily, to a custom *Classroom Dojo Rewards Chart* that brings classroom goals to life— Central Primary is turning large-format printing into a vehicle for engagement, structure, and student success.

This is what partnership looks like: innovative educators using the right tools to make learning visual, interactive, and meaningful.

We're proud to support schools like Central Primary that push the boundaries of what's possible.

Way to lead by example, Central Primary!

TECH SPOTLIGHT

Building Bridges with STEMvelope

Ready to take your **Educator Plus Poster Printer** to the next level? **STEMvelope**—an AGC-exclusive resource—helps bridge the gap between creativity and curriculum with hands-on, print-powered learning.

Perfect for summer enrichment, **STEMvelope** includes engineering challenges, biology activities, and even art projects—all designed to make learning interactive and visually impactful.

Paired with your **Educator Plus Poster Printer**, these activities transform classrooms into dynamic spaces where students can explore, build, and be inspired. **Start printing. Start building. Start inspiring.**

TRAINING SPOTLIGHT

Smart Summer Shutdowns Start Here

You're the expert in the classroom—we'll handle the tools that help you SHINE!

Whether it's your first summer with the **Educator Plus Poster Printer** or your tenth, now's the time to lock in a clean, clog-free return. Even seasoned users can overlook a step when year-end chaos hits, and a little support now can prevent big headaches later.

Our team is here to help you double-check the summer shutdown process, so your printer stays protected and ready for action—no clogs, no delays, just crisp, high-quality prints when you're ready to roll.

We're not just here when something breaks. We're your behind-the-scenes partner—here to help you stay ahead, stay sharp, and stay focused on what matters most.

Call today to schedule your summer maintenance check—your future self will thank you.

AGC NEWS

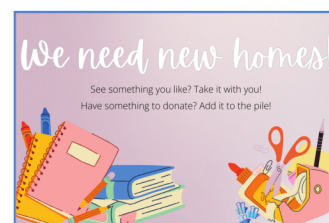

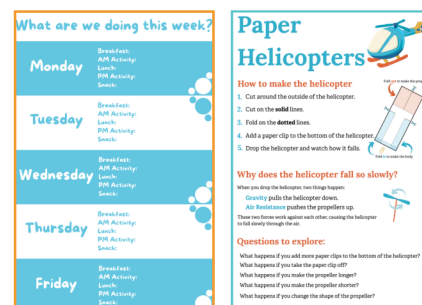

Teacher Resources

Get a head start on summer and year-end prep with these time-saving templates—built to support educators, streamline your workflow, and keep your programs running strong.

- **Summer Camp/Event Posters:** Highlight your summer programs with bold, editable posters that make promotion simple and stress-free.
- **Summer Program STEM Posters/Activities:** Keep curiosity alive with ready-to-use STEM resources built to support your summer learning adventures.
